NEW ERA OF FROZEN FOOD

United Investment for Food Products "UniFood" is a member of the United Investment Group (UIG), established in 1979. Our mission is to serve, innovate, and expand the food industry across the region through a diverse portfolio of companies, expertise, and vertical and horizontal integration.

The group operates across multiple sectors of the food industry, including the design, manufacturing, trading, supply, and installation of foodservice, bakery, cooking, cold-line, and food-processing equipment and systems, delivering complete turnkey solutions and food-processing lines of various capacities and applications.

Established in 1998, UniFood specializes in the production and marketing of a wide range of frozen food products, including Pre-Fried Frozen Potatoes, Potato Specialties, Appetizers such as Onion Rings and Pre-Fried Sweet Potatoes, Frozen Vegetables, and Fruits.

Our factories and quality management systems are designed and maintained in accordance with internationally recognized food safety, quality, environmental, and occupational health and safety standards. UniFood is certified according to NFSA, BRCGS Grade A+, ISO 45001:2018, ISO 14001:2015, Halal, Kosher, SMETA, FSSC 22000 Version 6.0, and FDA, in addition to SFDA registration.

With highly recognized brands and a strong international presence, UniFood exports its products to more than 50 countries worldwide. We also offer private-label solutions tailored to our customers' specific requirements.

Our history, experience, and highly trained teams empower us to continuously innovate, develop, manufacture, and supply high-quality frozen food products and solutions that meet our customers' requirements and exceed their expectations.
